

The background of the entire page is a close-up, low-angle shot of a modern elevator control panel. The panel is primarily yellow and features a large black touch-screen display at the top. The screen shows a grid of small white squares and some text, including "21 persona" and "1000 kg". Below the screen are two sets of speaker grilles. At the bottom of the panel is a numeric keypad with circular buttons numbered 1 through 24, arranged in a grid. The panel is mounted on a wall with a vertical wood-grain texture. The lighting is dramatic, with strong highlights and shadows, creating a sense of depth and modernity.
